Current Mailing Address _____

Project Name _____ Parcel ID: _____

Number of ERU's (homes) _____

Applicant can pay a Construction Fee equal to 5% of construction costs (*Provided by a certified estimate cost of construction from a reputable contractor*) or as calculated below.

Number of Manholes _____ X \$2,000.00 = _____

+ Linear Feet of main line _____ X \$20.00 = _____

+ # of Laterals _____ X \$1,000.00 = _____

Total _____

_____ **Construction Drawings attached/emailed:** Final Construction drawings are due at minimum thirty (30) days prior to commencement of construction and shall include a true and complete copy of the final plat(s) and plans which have been sealed by a licensed engineer. The District Manager/Engineer shall sign the final plat(s) only at such time as all applicable fees have been paid to the District.

_____ (**Initial**) Additional fees will be paid to MGSID by a Developer to compensate MGSID for its time, effort and expense for general project coordination and construction inspection of extension or modification of the Public Wastewater System required for the Developer's project. All fees will be paid by Developer prior to Final Project Approval

_____ (**Initial**) I, and the project, will comply with MGSID standards as outlined in the Sanitary Sewer Ordinance. I understand no construction will commence until fees, and shown above, are paid in Full. I recognize an annual stand-by fee will be due until the connection is completed and the monthly fee is being paid.
